C 07-00515 PJH

1 Plaintiff Kathleen M. Hanson ("Plaintiff") and defendant Rite Aid Corporation  
 2 ("Defendant"), by and through their respective counsel, submit the following stipulation and  
 3 request for an order removing this case from the purview of General Order 56.

4 **Recitals**

5 1. This action was transferred to this district from the District of Oregon on January  
 6 30, 2007. The Court issued its Scheduling Order on the same date.

7 2. On February 15, 2007, the Court issued an Amended Scheduling Order placing  
 8 this case within the purview of General Order No. 56, which governs cases asserting denial of a  
 9 right of access protected by the Americans with Disabilities Act ("the ADA").

10 3. This is a wrongful termination case. There is a claim concerning violation of  
 11 ADA, but not one concerning the right of access under the ADA. As such, the parties agree that

15 WHEREFORE, the parties hereby stipulate and request the following:

16 1. That this action does not involve a right of access under the ADA and should not  
 17 be within the purview of General Order No. 56;

18 2. That this action be removed from the purview of General Order No. 56 and  
 19 returned to the Court's regular case management calendar.
